Dear Members and Friends of NUABA;

The National United Affiliated Beverage Association E/D's Fall Convention and Trade show will be held November 11–16, 1990 at the Bahamas Princess Resort and Casino in grand Bahamas. It gives me great pleasure to invite you to attend this worthwhile gathering.

NUABA E/D holds this yearly event and it has become known as one of the most outstanding assemblies for the beverage industry. We must meet and address the many issues that affect us all.

The corporate sponsors, advertisers and exhibitors are urged to participate. We need your continuing committment to build alliances with African-American consumers, retailers and businesses. We must be involved in the community and help one another.

NUABA E/D Convention is a network process that brings together retailers, wholesalers and manufacturers. Also joining in the works will be national figures of government, industry, and the entertainment world. There will be information workshops, seminars and round-table discussions; all geared to our current needs for information and expertise.

It has been mandated that NUABA establish "NUABA HOUSE" for unwed teen mothers. Infant deaths across the nation are extremely high. We are pleased that this plan was put into effect in June of 1989 at our National Convention in Pittsburgh, Pennsylvania.

At the fall meeting in the Bahamas (see accompanying pamphlet), you will have the opportunity to make your input for this worthy cause.

There will be an array of social functions and hospitality suites hosted.
